

Munich University of Applied Sciences is the largest university of its kind in Bavaria and one of the largest universities of applied sciences in Germany. We are committed to proactively shaping a future of innovation in the fields of teaching, research and knowledge transfer and place the highest importance on our social and industry partnerships.

The Faculty of Business Administration (FK 10) seeks to hire an

Adjunct Lecturer (Lehrbeauftragte/r) (m/w/d) for Business English

Your profile

- completed first degree, ideally in a language or business-related field
- experience in teaching English as a second language
- English skills at native-speaker level or equivalent
- German language skills are highly desirable
- Available for weekly seminars
- Ideally at least 2 years of professional experience in a field outside higher education, preferably in an international context
- Good team player

We offer

- A competitive freelance package
- Flexible choice of teaching times
- Modern teaching content comprising current topics and methods
- Provision of teaching materials and resources
- Well-equipped teaching facilities
- A great opportunity to live out your passion for teaching and share your knowledge
- A friendly work environment and highly supportive, international team

Munich University of Applied Sciences is an equal opportunities employer and particularly encourages applications from women and people with disabilities.
