

Department	11 Applied Social Sciences
Course title	Social Europe Week. Challenges for Human Resource management, Social Policy, and Social Work
Hours per week (SWS)	April 19-22, 2021
Number of ECTS credits	5
Course objective	Students will gain an understanding of social policy, social work and human resource management issues within the European Union by participating in an international seminar with app. 160 students from nine different European universities. They will tackle global challenges within the European Union in various interactive formats and thereby gain an understanding of the European idea and its impact on professional fields like social work, human resource management or labour law.
Prerequisites	Basic understanding of the European union, interest in international cooperation and student-centered formats - active participation required
