<b>Course content</b>	This is a joint class experience of students from MUAS and SUNY ESF (Syracuse, NY). It will include introductory lectures and discussions followed by in-class and out-of-class team project work. We will have panel discussions about current topics and publication plans. Students will choose their own topics within the areas of science, technology and environment. Through joint teamwork and small groups, students will work on concept generation and text production for a blog.
<b>Remarks</b>	<b>Die Texte können auch auf Deutsch verfasst werden. Der Leistungsnachweis kann ebenso auf Deutsch erfolgen.</b>
