

Courses in English Course Description

Department	10 Business Administration
Course title	Business English for Professional Communication - Advanced
Hours per week (SWS)	4
Number of ECTS credits	5
Course objective	<p>This module is an advanced-level Business English communication course intended to strengthen and refine students' proficiency for professional and managerial purposes. Throughout this task-based module, students will further develop appropriate terminology, phraseology and effective communication skills to handle interactive situations in an international business context. Students will build confidence in verbal business communication and foster comprehension skills for contemporary business discourse. They will be familiarized with regional, organizational and formal communication specifics in Business English to contribute, lead and innovate appropriately. After successful completion of this course, students will have the skills and practice required to present themselves and/or their organizations at a high level of professionalism in challenging communication settings for business, work or further studies in an international context.</p>
Prerequisites	Business English 2.2 and 3.2; at least Business English B2
Recommended reading	Texts and resources will be provided at the beginning of the semester.
