

Courses in English Course Description

Department	12 Design
Course title	405_project course
Hours per week (SWS)	8
Number of ECTS credits	12 ECTS
Course objective	The aim of this course is to experience and study how to work in teams and to solve a given design problem. The task will include all stages of the design process, from task to solution, finishing with the presentation of the resulting design. Every term lecturers will offer different topics, often in cooperation with companies. Depending on the main focus of the lecturer, the result will be a series of photographs, communication artwork, a designed product.
Prerequisites	To enroll in this course at least 3 terms of study experience in the field of Design is advised. Application will be through the general project selection process at the beginning of the term or through an application with the course's lecturer.
Recommended reading	will be specified by lecturer
Teaching methods	2 times/week, seminar, hands-on coaching ; Please refer to the department's homepage design.hm.edu for information on whether the courses will be held via Zoom, hybrid or take place in presence!
