Innovative teaching, applied research, and an entrepreneurial mindset

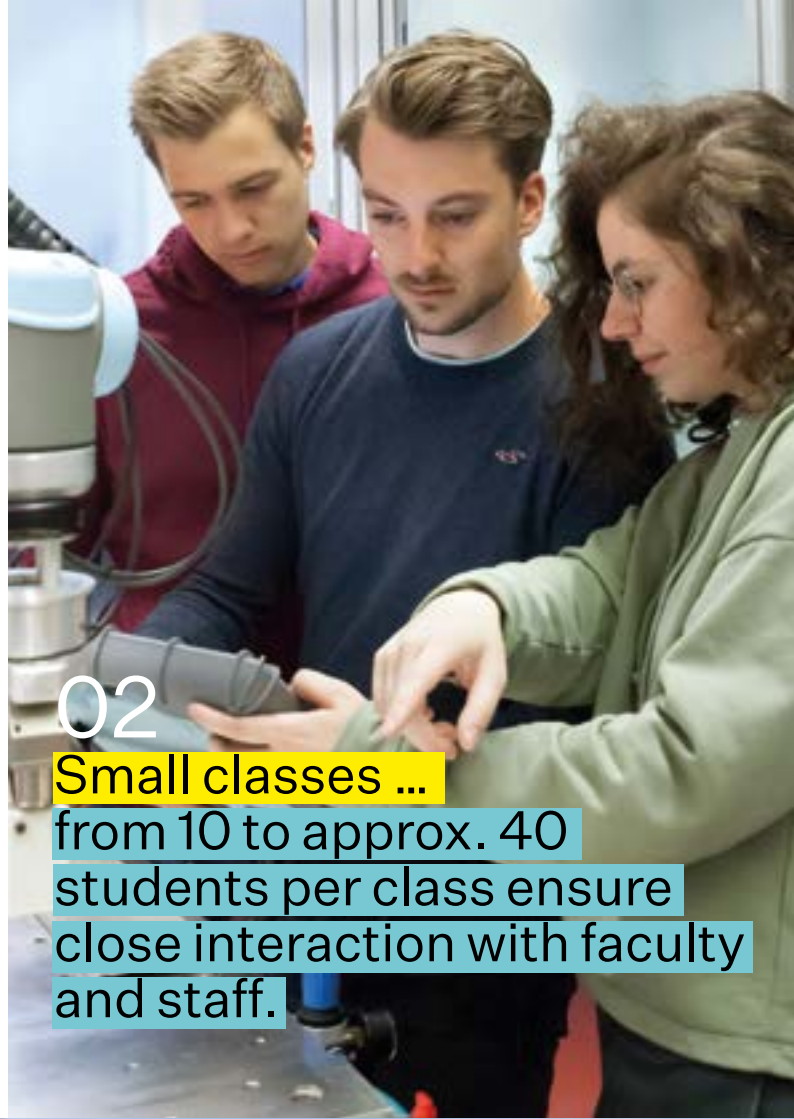

10 reasons to study at HM...

01

Future- & practice-oriented education ... fosters entrepreneurial, sustainable and global mindsets.

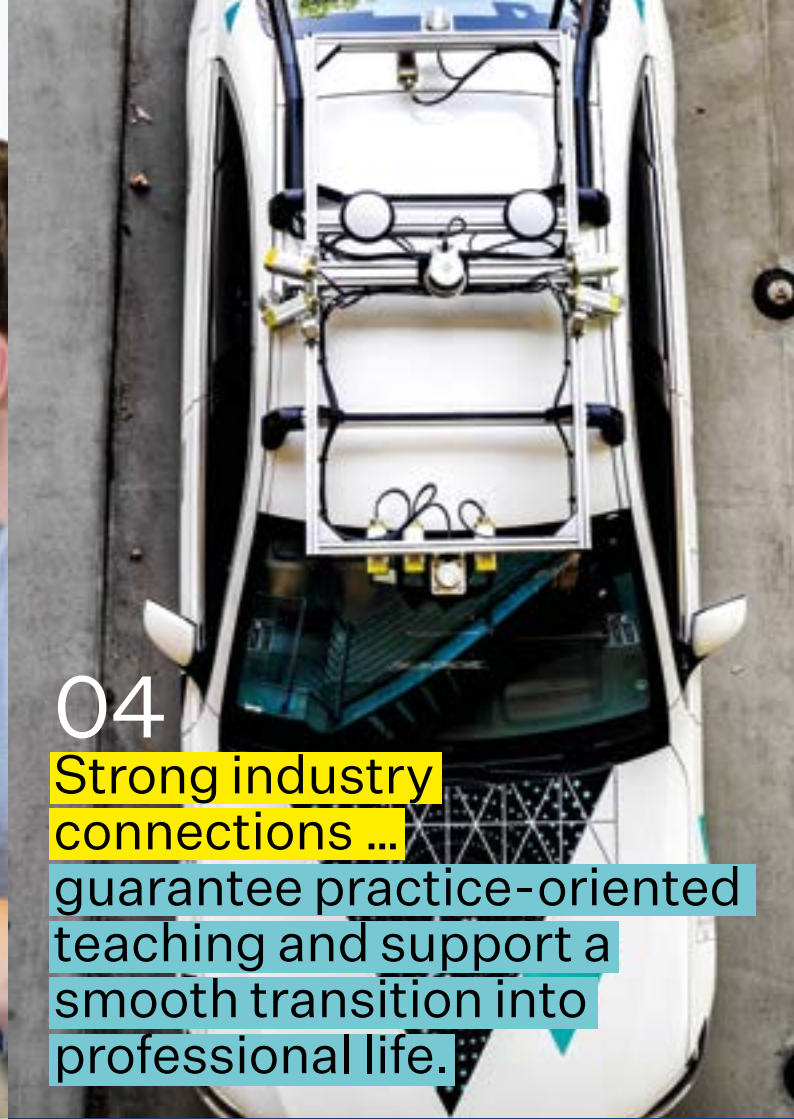

02

Small classes ... from 10 to approx. 40 students per class ensure close interaction with faculty and staff.

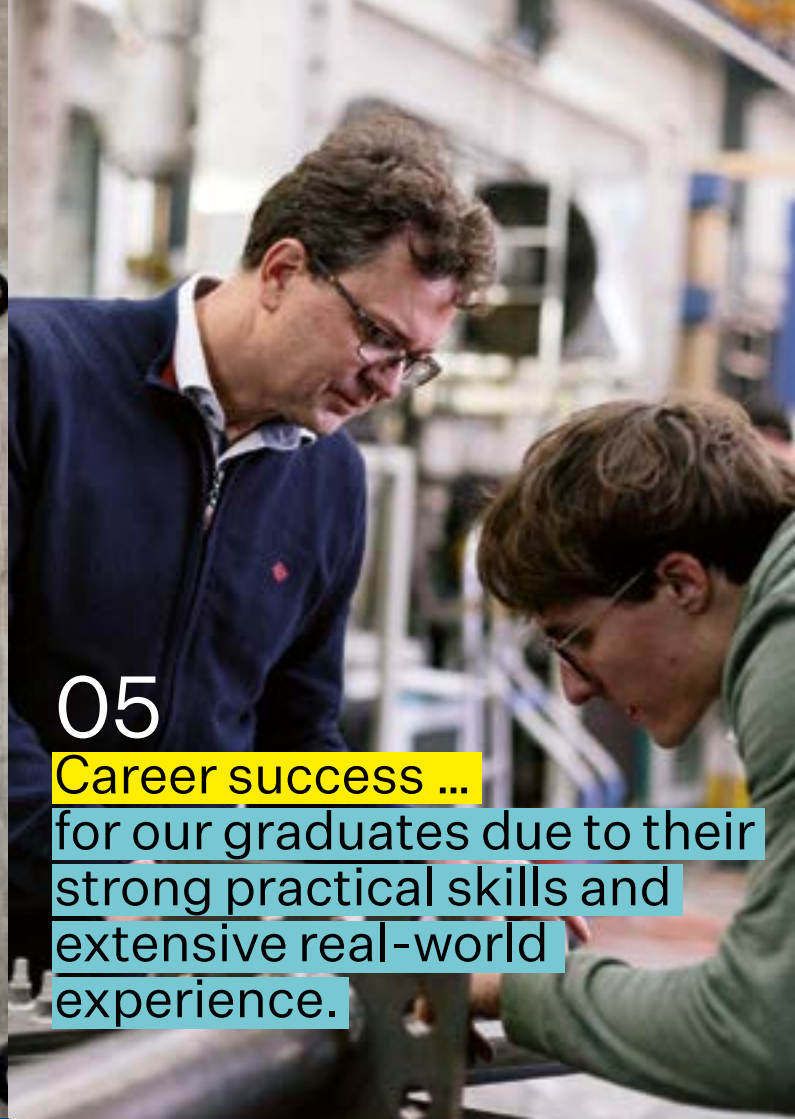

03

Tailored support services ... help international students and scholars feel at home and make the most of their stay.

04

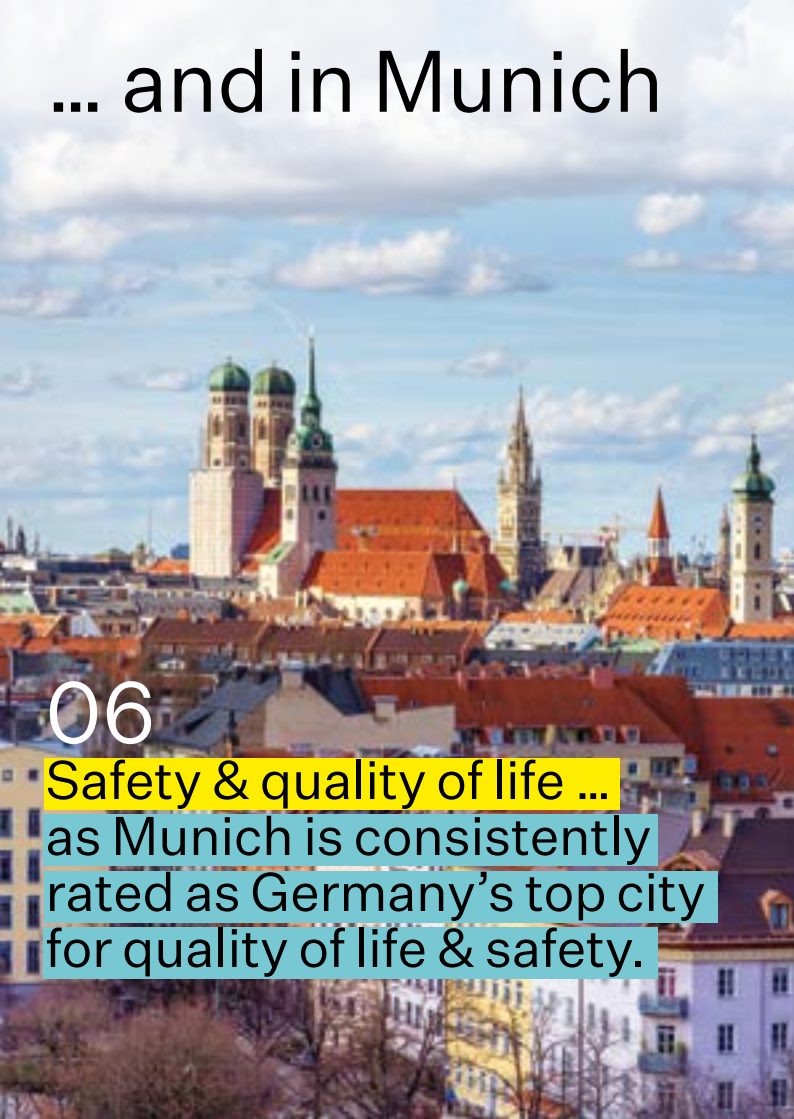

Strong industry connections ... guarantee practice-oriented teaching and support a smooth transition into professional life.

05

Career success ... for our graduates due to their strong practical skills and extensive real-world experience.

... and in Munich

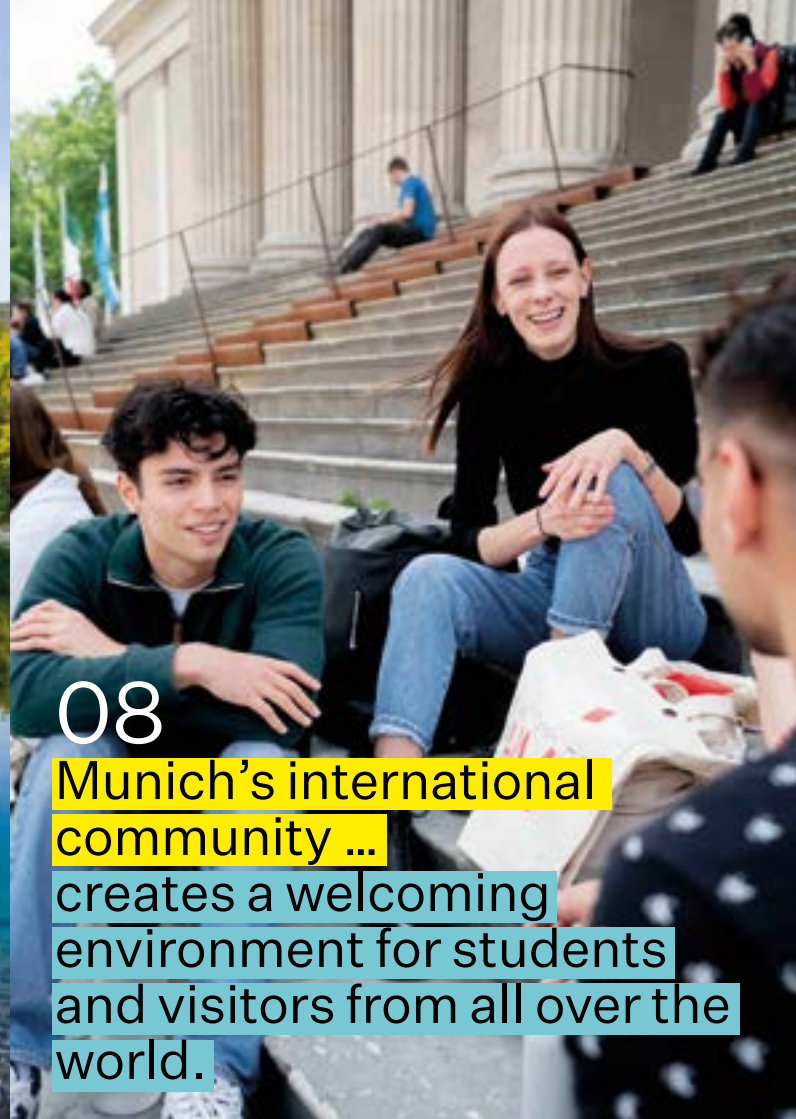

06

Safety & quality of life ... as Munich is consistently rated as Germany's top city for quality of life & safety.

07

Stunning nature ... makes Munich perfect for outdoor adventures, from the Alps and pristine lakes to enchanting forests.

08

Munich's international community ... creates a welcoming environment for students and visitors from all over the world.

09

A vibrant cultural scene ... blends Bavarian traditions with an international vibe in theatre, music and art.

10

High-tech hub Munich ... is a powerhouse for innovation and home to German and global high-tech companies.
