New Students Information

Fakultät für angewandte
Naturwissenschaften und
Mechatronik

Information Events

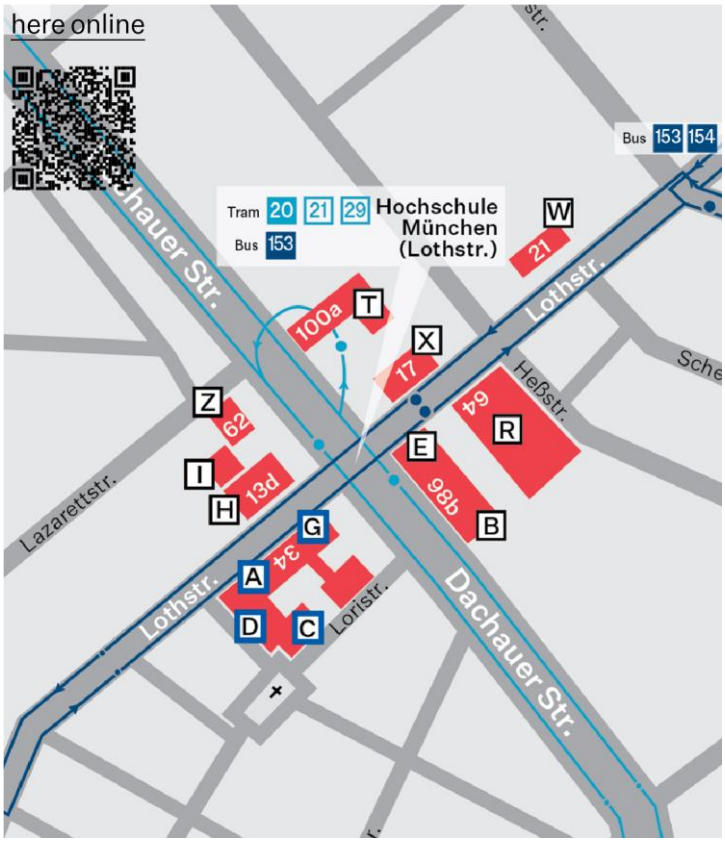

All information and welcome events for bachelor‘s degree pro grams take place on October 1st and 2nd. Please check the announcements on the homepage for any changes. Attendance is strongly recommended for all first semester students. Classes for first semester students will start after the welcome events on the following workday.

Course of study	Oct. 1st	Room	Oct. 2nd	Room
Ophthalmic Optics | Optometry	09:40-12:30	A 415	10:00-12:00	A 415
Bioengineering	09:30-12:30	A 310	09:00-12:00	A 310
Chemical Engineering	09:20-12:30	A 308	09:00-12:00	A 308
Mechatronics	09:00-12:30	D 212	tbd.	
Production and Automation	09:30-12:30	A 304	tbd.	
Engineering Physics	09:00-12:30	G 043	09:00-12:00	A 316
Engineering Physics and Data Science	09:15-12:30	G 244	09:00-12:00	G 244

General Studies Courses and International Office

(Department 13 – General and Interdisciplinary Studies)

Please refer to the course content for your Bachelor's degree program to find out whether you have to take an General studies subject (general studies elective) and in which semester: sci.hm.edu > Student > Bachelor Programes > choose your course > Course Catalog

The General studies subjects are offered by Department 13. You can find an overview of the subjects and other important information on enrolment and dates at hm.edu/fk13 or in the foyer of Lothstr. 34. If you have any questions, please contact the secretary's office of Department 13.

Secretary's Office Department 13
Dachauer Straße 100a
R. T 3.010, Tel. 089 1265-4301, -4303

If you need more information about your studies at HM, please contact our International Office with any questions.

University Account

To access certain departments websites, register for your courses in the course catalog, and use many other features related to your studies, please log in with your central university account via Shibboleth.

You can usually activate and manage your account online via the myIT portal using your PIC (Personal Identification Code) just one day (24 hours) after your final enrollment.

Timetables

Registrations for lectures, lab classes and seminars are usually possible via sci.hm.edu > Students > Timetables as soon as the timetable is online (at the latest one week before the beginning of the semester). Please open your semester lecture schedule by clicking on your assigned study group (Example: MEB1A = Mechatronics in the 1st semester Group A). In the header area above the now open lecture schedule, you will find the link: Take your courses. Here you can put together your individual lecture schedule.

Lab Classes Notice

It is important here that the assignment of lab classes groups is usually only activated by the lecturers after the first lecture to which this lab class belongs and only from this point in time is an assignment and group division is possible. There are also lecturers who unlock their lab classes right away.

Notifications

During the semester, lecturers post information about the postponement of their lectures at the homepage sci.hm.edu > Studierende > Mitteilungen or on the Department channel in the HM-App.
Check the contents of your hm.edu mailbox at regular intervals, as this also regulates administrative and other important matters.

Study and Examination Regulations

The study and examination regulations (SPO) are the legal basis for your degree program. It contains all framework conditions and regulations that affect your degree program. You can find the SPO of your degree program on the respective homepage of the degree program or directly under PRIMUSS Online Services.

Student Council 06

The Student Council 06 represents the interests of all students at the Department 06 vis-à-vis the various committees within the HM and in the self-administration of the department and the university. Cooperation is voluntary and very welcome. If you are interested, contact the Fachschaft 06 directly.

Student Council 06

Course Abbreviations Overview

Bachelor's Degree	**Abbr.**
Ophthalmic Optics | Optometry	AOB
Bioengineering	BOB
Chemical Engineering	CHB
Mechatronics	MEB
Production and Automation	PNB, PAB
Engineering Physics	TPB
Engineering Physics and Data Science	PSB

Master's Degree	**Abbr.**
Biotechnology I Bioengineering	BBM
Mechatronics	MEM
Micro- an Nanotechnology	MNM
Photonics	POM
Production and Automation	PAM
