

Studienverlaufsplan Master Paper Technology (für Ingenieure
der Papiertechnik)
(Änderungen vorbehalten)
01.10.2013

Sem.	SS	WS	SS	
1	Chemical Engineering 4/5*	Minerals 4/5*	Elective (Technical and/or General) 4/5*	
2				
3				
4				
5				
6	Statistics and Design of Experiments 4/5*	Paper Chemistry 4/5*	General Management I 4/5*	
7				
8				
9				
10				
11	Elective (Technical and/or General) 4/5*	Automation II 4/5*	Masterarbeit -/20*	
12				
13				
14				
15				
16	Automation I 4/5*	Coating II (incl. Practical) 4/5*		
17				
18				
19				
20				
21	Coating I 4/5*	Board and Paper Technology II (incl. Practical) 4/5*		
22				
23				
24				
25				
26	Board and Paper Technology I (incl. Practical) 4/5*	Project Management and Intercultural Communication 4/5*		
27				
28				
29				
30				
ECTS	SS	WS		SS

Study Process Master Paper Technology (consecutive)
(subject to modifications)
