NORDIC STAR – Master

Short term program of
Department of Engineering and Management &
TAMK University of Applied Sciences

# When and where does NORDIC STAR – Master take place?

The master's program will be held from

Monday, September 2 to Friday, September 20, 2024 at

TAMK University of Applied Sciences in **Tampere, Finland**.

Where exactly is Tampere in Finland?

Approx.170 km from Helsinki.

Why Finland, why TAMK?

FINLAND is a land of fascinating contrasts, between east and west. It is well-known for its high quality education, social security and healthcare, high-tech expertise as well as its unspoilt nature.

TAMPERE is the largest inland city in the Nordic countries. It is an ideally located "big-small-city" with 230,000 inhabitants and a vivid culture. The "most student friendly city in Finland".

TAMK offers

- High-class education
- Attractiveness of Tampere
- Valued in the labour market
- Good reputation among students

- Interesting fields of study
- Stands out as a forerunner
- New Tampere higher education community

Leisure activities

How can I sign up?

If you would like to participate in the NORDIC STAR Master program, please proceed as follows:

- Please register in the appropriate event in NINE (NORDIC STAR Master registration list).

- Places will be allocated on a first-come-first-served basis. There is a maximum of 30 places; the minimum number of participants is 25*.

Should you be admitted to the programme, you will receive a confirmation of your registration, which is binding from that point on.

You will then receive a confirmation of your registration. **After confirmation participation is mandatory**.

Further information will follow from us and the TAMK coordinator. The payment of the course fees will be handled by TAMK directly. If you have any questions regarding the payment, please contact the TAMK coordinator.

If you wish to withdraw from the course within the registration period, please sign out of the course in NINE.

* There is no claim to run the program if the number of minimum participants is not reached.
