

Exchange Students
Information Session
NINE Handout

What is NINE?

NINE is an online tool at the department of Business Administration (Dep 10) that helps students organize and overview their courses

Main features:

- Important course information about your courses
- Push-News about courses
- Schedule and location updates
- Links to Moodle-Courses

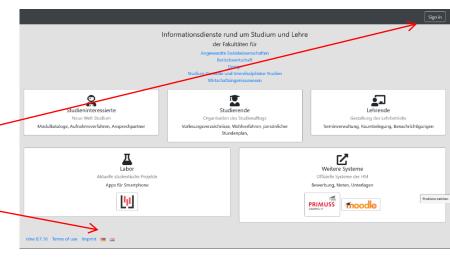

Link NINE→ https://nine.hm.edu/ Email Support NINE→ nine-fk10@hm.edu

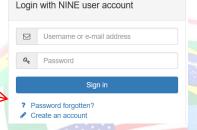

NINE Access → For Incoming Students who've already registered for CIE offered by Department 10 via Primuss*

1 Go to → https://nine.hm.edu/

Before clicking on sing in, change the language settings if needed

Enter your E-Mail address and apply for a new password

*Do not create a new account if you have already applied for CIE offered by dep. 10 via Primuss, only access data since you are already registered in the System

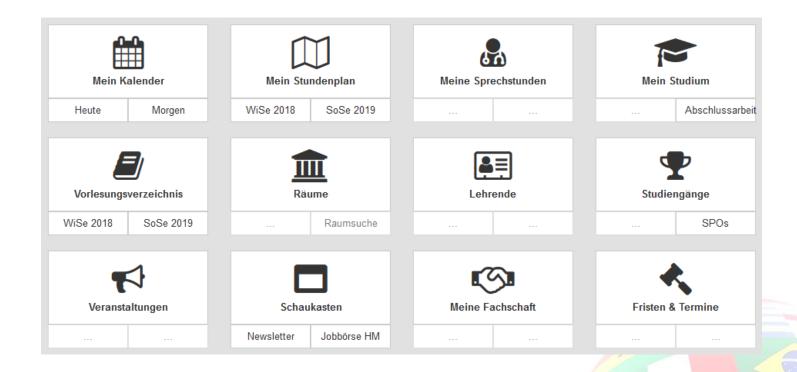

4 Log out after generating the new password

- Check your E-Mail → you will get an E-Mail with the new password (Check your Spam folder)
- Now you can access NINE (https://nine.wi.hm.edu/) with your email adress (the one used to apply for the CIE) and your new generated password

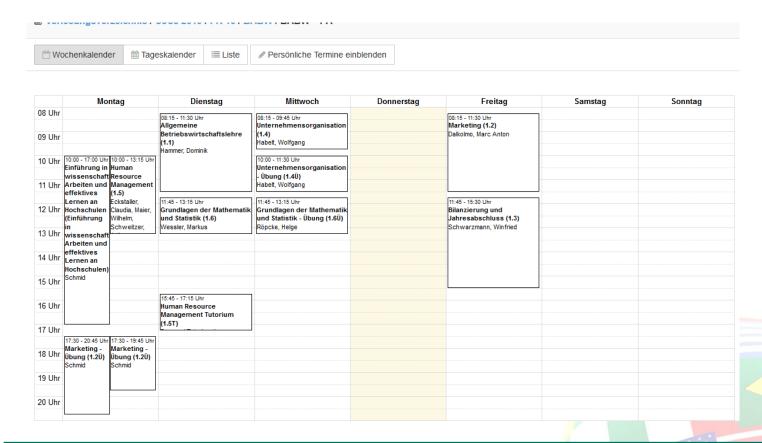

The start page

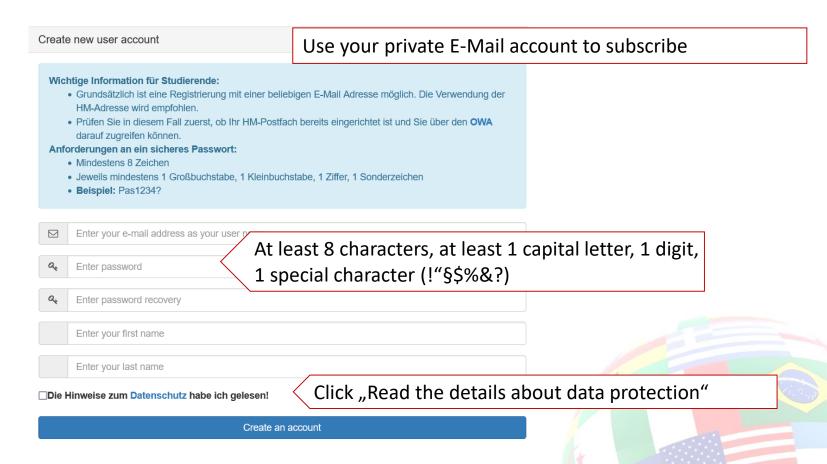

Your Schedule

You can only see your schedule two weeks after the Primuss lottery has taken place

NINE new account → For Incoming Students who haven't registered for CIE offered by Department 10 via Primuss yet*

*Create a new account if you haven't applied for CIE offered by dep.10 via Primuss yet
