Studying in Munich

An excellent choice for your semester abroad!

10 reasons to study at HM

1. Career success

HM always scores well in employer rankings because our students gain a practical understanding of their field and relevant on-the-job experience.

2. Future-oriented education

We foster the entrepreneurial, sustainable and international thinking needed in the professional world of today and tomorrow.

3. Small classes

The university has more than 18,000 students, but low average class sizes – so students benefit from close personal contact with faculty and staff.

4. International services

Our many special services for international students and scholars help them feel at home in our intercultural campus community.

5. Industry connections

Our strong relationships and internship programmes with industry and business partners give students a smooth start into their professional lives.

6. High-tech hub

Munich is an economic powerhouse, home to around 22,000 high-tech companies in automotives, electronics, engineering, telecommunications, aviation, and more.

7. Cultural life

With a rich culture, fascinating history, and countless cultural activities, Munich is a place where Bavarian traditions melt with international flair and a metropolitan lifestyle.

8. International atmosphere

International visitors feel comfortable in Munich, which hosts more than 500,000 people who come from outside Germany.

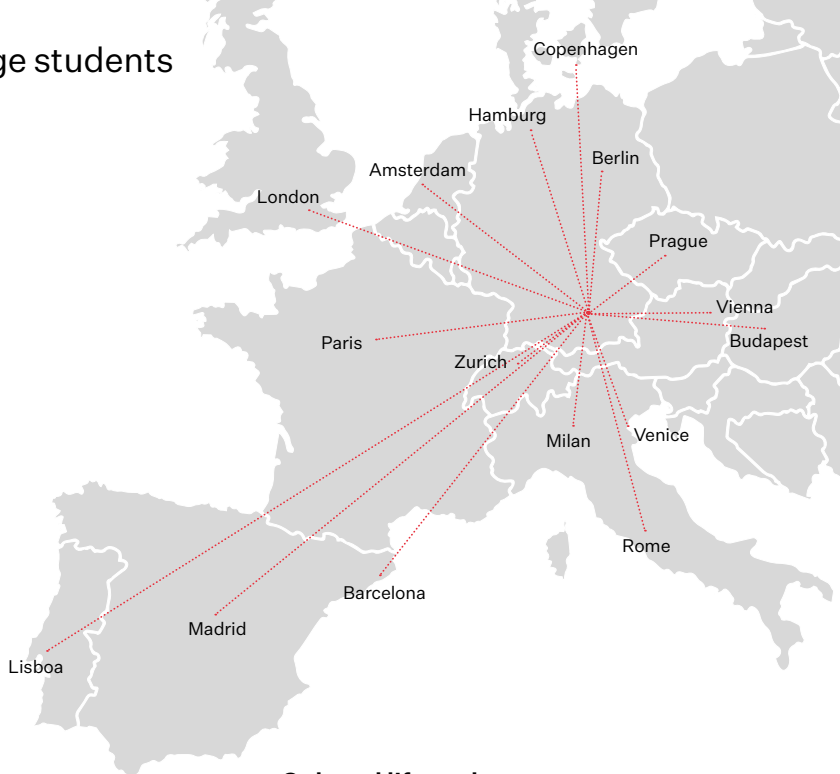

9. Beautiful nature

Munich is a short distance from the breathtaking Alps, crystal-clear lakes, and fairy-tale forests, giving lots of opportunities for day trips and sports activities.

10. Safety & comfort

Munich is rated #1 in Germany for quality of life and is one of the safest cities in Europe.
